

I am writing on behalf of KLOVE radio station and hope that the FCC does not force KLOVE off the air. It has been helpful for me as a single mother to instill good values into my teenage sons. Klove is a nonthreatening way to introduce Jesus to many of those who live without him daily. Please take into consideration all the good KLOVE has to offer in our communities, there is absolutely nothing negative about their broadcasting, only good is heard, what a blessing in today's society.
